

Dear Trantwood Families,

The Trantwood Parent Teacher Association (PTA) is excited about some great plans we have in store for our children this year!

WHO ARE WE? The Trantwood PTA is made up of caring adults who work closely with teachers and the school administration to improve opportunities for students. The PTA provides ways for parents and teachers to share knowledge and experiences in educating our youth.

WHAT DO WE DO? The PTA Board organizes exciting programs for our children, including the Fall Family Festival, the Dad's Breakfast, the Grandparent's Luncheon, the Family Night Dinner, the Variety Show, and the Snowflake Breakfast, to name a few. Due to the strong support of previous members, Trantwood has a new Playground for our children during recess and Scholarships for former Trantwood students who wish to go to college. Our PTA also purchases new computer equipment, art supplies, cameras, and books for our teachers. We also help organize many in-school activities such as Citizen of the Month, Community Cardinals, the Trantwood Directory, Science lab, and Cultural Arts programs. Throughout the year, the Trantwood PTA shows appreciation for our teachers, administrators, cafeteria, custodians, and bus drivers through our Hospitality committee. The list goes on...

WHAT CAN I DO? Join the PTA. To reach our goal of 200%, we need every child to be sponsored by two adult members! This means if you have *two* children at Trantwood, we need *four* adult sponsors! It can be parents, grandparents, aunts, uncles, neighbors, or friends. If you have already joined, the PTA and the children thank you for your support! **Please consider signing up another adult membership on behalf of your child.**
